Phone: (909) 383-6799 (work) (909) 383-6477 (work)
or (909) 383-4631 (Caltrans Public Affairs)

DEVORE 2 – NIGHT WORK MAY CAUSE DELAYS

San Bernardino County – Caltrans has about two weeks of work remaining on the Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the Interstate 215 (I-215) in Devore, just below the Cajon Pass. Some delays up to an hour may be expected during the nighttime work for the duration of the project. The project is expected to be complete by March, weather permitting.

No work is expected for Friday through Sunday for the remainder of the project.

No work will take place Monday night, February 19th, due to the President's Day holiday.

Lanes may be reduced to one in both directions of I-15 during nighttime work hours, Monday through Thursday, as follows:

- ✂✂ Southbound I-15 from 6:00 p.m. to 4:00 a.m.
- ✂✂ Northbound I-15 from 10:00 p.m. to 8:00 a.m.
- ✂✂ The northbound 15 to southbound 215 connector is subject to closure during the nighttime work hours.

Driver Advisory!!

Motorists on northbound I-15 may experience delays during morning traffic and are advised to take I-10 east to I-215 north to avoid the work. Caltrans urges motorists to avoid the construction and adjust your travel time or take an alternate route, if possible. Plan ahead and allow extra time and patience if travel is necessary on I-15 during the nightly work hours.

For more information on this project or other Caltrans roadwork, please go to our website at www.caltrans8.info. You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have access to a computer, please call us at (866) 383-4631.
